

QUALITY POLICY

INTRODUCTION

CELLA MEDICAL SOLUTIONS® was established in 2016 and specializes in the design and development, production, and marketing of medical products for use in the field of surgery.

The quality policy defines CELLA MEDICAL SOLUTIONS®'s guidelines regarding quality objectives, formally expressed by the top management.

ESTABLISHMENT OF THE QUALITY POLICY

CELLA MEDICAL SOLUTIONS®'s quality policy is expressed through our firm commitment to fully satisfy our customers' requirements and expectations.

This commitment is articulated in the following objectives:

- Comply with applicable regulations and legal requirements.
- Apply continuous improvement through an annual review of the quality management system and continuous improvement committees.
- Ensure impartiality, confidentiality, and user satisfaction commitment.
- Establish a close relationship with users to contribute to user satisfaction.
- Ensure the quality, safety, and efficacy of our products by implementing and applying ISO 13485 Medical devices. Quality management systems. Requirements for regulatory purposes and conducting risk management based on ISO 14971 Application of risk management to medical devices.
- Foster the motivation of the human team.
- Create a work environment that promotes teamwork, trust, and mutual respect.

CELLA MEDICAL SOLUTIONS®'s management commits to communicate and enforce this policy to the entire company's team, as well as to all those individuals or entities who may be interested.
